That Has Generated Over \$1,000,000 Of Affiliate

From Andrew Fox

Dear Loyal Customer,

Listen to me very carefully.

What I'm about to give you is worth at least 10 TIMES the value of the entire Affiliate Millionaire course.

I gotta make you realize the power you now possess in your hands...

I'm sitting on the upper deck of my yacht right now, basking in the warm sunshine with a Jack Daniels in hand. It's September, there's a gentle summer breeze while we sit moored outside my home port of Alcuidia. Here's a picture I took of my yacht from the waterline.

“I Often Think To Myself ... How The Hell Did I Really Get Here – What Did I Do That Was SO DIFFERENT To Everyone Else?”

I'm sure you've had those moments in your life. Being in a situation and asking yourself “How did I get here?”

It's probably one of the best questions you can ask yourself....

For me the answer was simple.

I learned how to write emails that convince people to buy LOTS of stuff.

Around \$1,000,000's of other peoples products to be precise.

It's taken me years of sweat and grind but luckily for you today I'm about to condense years of my “Affiliate marketing Jedi knowledge” into a single afternoon's reading.

Sorta seems unfair I've done 99% of the hard work for you... but hey I'm a generous guy 😊

Before we continue please read my most SHOCKING disclaimer ever...

“I Andrew Fox Stand Before You Today And Admit, I Totally FAILED My High School English Exam, Yet Am Now One Of The World's Most Sought After Email Affiliate Marketer's”

Go figure...

My high school teacher said my grammar was bad, I couldn't string two sentences together and I basically should avoid an “English” type job at all costs.

Old Scrooge said I just didn't have the ability...

Grumpy ol' hunchback, stooping round the classroom wearing his moth eaten blazer. “Buy yourself some tooth paste” I thought as he nearly knocked me out with his killer breath every time he came close....

Seems somewhat ironic to me when I basically made DOUBLE his annual salary in less than 7 days 😊

Well I made \$70,000 from on affiliate promotion and I'm guessin' he made around \$35k a year but who knows.

Point being this...

Being able to get an A Grade in your High School English Exam Has NOTHING to do with being able to

...WRITE EMAILS THAT SELL LOTS OF STUFF!

That's what "Affiliate Millionaire" is all about.

Helping you get the desired result which is make money sending emails as an affiliate marketer.

So are you ready to get movin'?

"Time For Serious Business - I'm Literally Handing You The 'Key's To The Kingdom' The EXACT Emails That Up Until Now Only My \$25,000.00 Coaching Clients Have Been Privy To"

I've handpicked nineteen of my affiliate promotions that absolutely CRUSHED it!

Since I figured this stuff out for "REAL" in 2007, strange things started to happen.

\$38,563 affiliate check In Feb 2007...

\$70,000+ affiliate check in June 07...

Three days later over \$29,000...

THIS STUFF WORKS!

At least it really did for me, and I'm sure if you copy my methods , it can only do positive things in your business.

“WARNING! Before You Go Any Further Please Promise Me You Have Watched Module #3 Of Affiliate Millionaire”

Otherwise you may think I'm a flamin' nutter!

Seriously... in Module 3 I break down the four main triggers that I use in my email marketing efforts and whole 'fancy' psychology of why this stuff really works.

The swipe files below will make a gazillion times more sense if you understand WHY I've written the emails in each style.

There is a method to the madness.

The only exception to the rule is this.

If you're already a seasoned marketer and are just looking for some 'money getting' swipe copy to add some super charged juice to your affiliate promotions, then swipe away!

(However I STILL recommend you watch Module 3 at some point – it's totally worth it)

Anyway, this is my gift to you... use it wisely!

“Immortality! Take It - It's Yours!”

Andrew Fox

(Please note a very tiny fraction of links will not work below –

This is due to offers that I promoted at the time being removed. However the swipe copy still ROCKS so swipe away 😊)

Subject : {!name}, a free video and a *BIG* warning....

Message :

{!name},

This is my most *IMPORTANT* recommendation of 2007 - and I don't say that lightly.

I hope that my open, honest (and sometimes brutal approach) over the past weeks conveys that to you...

I also have a free 22 minute video showing MASSIVE earnings through Clickbank from a friend of mine, but let me share this with you first...

Tomorrow at exactly 3PM EST there will be a product release that will *change* Clickbank history.

As you know I'm very involved with Clickbank and as a result know the *KEY* players (ie the guys who make \$1,000,000.00+ online)

One such guy is Chris...

Chris is the infamous author of "Affiliate Project X" - a product that took the Internet by storm in October 2006.

Chris lives in the UK and since I live in Ireland we have become good friends and regularly talk on the phone.

His latest product released tomorrow is called 'Day Job Killer' and *PROMISES* to show the "Average Joe" how to steal from the super affiliates and start banking \$100 - \$300 per

day through Clickbank.

READ WHAT I AM ABOUT TO SAY BELOW VERY CAREFULLY....

And this might even 'offend' Chris.

Ok... the guys makes million's online. Big Deal

So do a ton of other guys I know ..

SO WHAT MAKES CHRIS DIFFERENT...?

Well here's the simple matter.

Chris not only "walks the talk" *BUT* he's a damn good teacher.

Chris is concerned about the customer, YOU {!name} and that is why I recommend his product so highly

After reading Chris's new "Day Job Killer" manual I will openly say if you apply what he teaches (all taught in a step -by -step fashion) *YOU WILL* make money online.

PRICE DISCOUNT AND BONUSES....

Now for the opening days Chris will have a *special* price discount but expect this to disappear very fast. So be sure to grab it as soon as it releases.

Secondly because I believe in 'Day Job Killer' so much, I want to really over deliver and am offering the following bonuses to the *first 50 customers* who buy through my link.

BONUS #1 - A private recording that Chris and I are conducting that you cannot get *ANYWHERE* else. This is highly exclusive to my members only (\$197 value)

BONUS #2 - A copy of the private Clickbank Interviews I held with Mike Filsaime and Jeff Mulligan lasting over 2 hr , 30 mins (\$97 genuine value)

BONUS #3 - A copy of another Interview I held with Joel Comm on how he rakes in \$25,000 a month with adsense and virtual real estate (\$97 value)

BONUS #4 - Ten customized website templates that you can use with 'Day Job Killer' to start your promotions (\$197 Value)

All you will need to do is email your receipt to my head of support Stuart at stuart@

launchproduct.com - just be quick to order.

Before I go I want to share a special 22 minute video with you that Chris has prepared showing you *PROOF* of his techniques in action.

This one is totally free and I encourage you to watch it (trust me you will be excited with what he reveals)

<http://www.dominatingcb.com/dayjobkiller.htm>

Remember the launch is at 3PM EST tomorrow so be on the look out for my email.

In the meantime let me 'wet your appetite' with this free 22 content packed video.

Warm Regards,

Andrew Fox

PS: I'm really excited about this product release - I already have my own special preview copy and its *AMAZING*. Get ready to grab yours...

Subject : Chris just called me from Day Job Killer...

Message:

{!name},

This is funny... You heard all the hype about Day Job Killer today yeah....

But did you hear this? :-)

I was on the way home from London today (Just bought a BMW M3 convertible) when Chris, the author of 'Day Job Killer' called me on my phone.

I had actually just boarded the boat taking my new car back to my home in N. Ireland - I hope I didn't get any speeding tickets!

I had already programmed the message to go out about Chris's new product...

Chris said "Dude, your are totally on fire! - your the #1 affiliate by a long shot. What did you tell your list?!"

(He was really puzzled)

I sort of stumbled and thought... "Geez what did I tell *you* guys..."

You know what I told you {!name}...

THE TRUTH!

I didn't dress it up and sugar coat it in fancy crap and hype.

I told you the truth (and while I'm at it Chris told me he is *DEFINITELY* raising the price soon)

<http://dayjobkiller.co.uk>

Day Job Killer really is a breath of fresh air for failing Clickbank affiliates.

I just told Chris "Man I'm happy things are going great for you but you deserve it.

"You've created an *AMAZING* guide that WILL help people kill their day jobs."

That will change lives....

To me that's heart warming and a product like that is worth every damn penny.

<http://dayjobkiller.co.uk>

So when friends like John Reese and Yanik Silver tell me " Always over deliver to your customers EVERY time" I take that to heart.. I really do.

With that said I've had 2 hours sleep (Had to get up at 4.30am for the boat today) and am in serious need of rest.

Check out Chris's product below and grab - it's awesome. And remember a price rise is

happening soon and that ain't a hype!

Chris has just *sprung* this on me!

At 12PM EST tomorrow he is raising the price of Day Job Killer. (I thought it was going to be next week sometime - Thanks for the advance notice Chris!)

It's a *totally serious* deadline. (Chris might be my buddy but he's stubborn and will increase the price the second the clock chimes 12) He may even double it.

<http://dayjobkiller.co.uk>

... More importantly people who have bought Day Job Killer are *ALREADY* seeing results.

One of them generated her first EVER sale off Adwords today - and then another 3 more. Two affiliates have generated their first \$100+ using the "leveller part 2".

Imagine that was you.. trying to make money online for so long and then your first \$100 in a day!

<http://dayjobkiller.co.uk>

When I recommended this a few days ago I already *KNEW* people would make money if they applied the techniques.

The price is 100% going up tomorrow at 12pm EST (No hype, fluff). It may even be DOUBLE.

Chances are you are going to buy this but why pay more for it?

Now as a special incentive I will "re open" my bonus pack to the final 25 buyers. I advise you are quick because response was *HUGE* to the first 50 buyers last time.

This is a message to “THANK YOU” for being a loyal subscriber of mine.

While most “gurus” shove offers in your face every day I’ve done my best to be very selective and ONLY recommend the *TOP* information as and when it comes available.

Many of you jumped on the “Day Job Killer” release this weekend and I want to congratulate *YOU* - it’s an excellent guide and will help many of you compete with the big guys out there. In case you’ve missed it (ie you’ve been asleep in an underground cave all week :-)) here is the link)

<http://dayjobkiller.co.uk>

I was very ‘humbled’ by the HUGE number of people who bought on the basis of my recommendation. Everyone on this list is special to me and that’s why I wanted to write today - to say *THANK YOU* for your trust.

You have a friend in me and a mentor.

=====

After much thought I have postponed my Clickbank Coaching Club.

I’ve been talking regularly with Chris this week on the phone (author of Day Job Killer). After much ‘brain storming’ I’ve decided to hold back my next BIG release for a few months.

In fact it's so secret I can't even reveal the domain name I just registered for it yesterday - it's very POWERFUL.

Rest assured when the industry sees this , thing are going to *CHANGE* and many ordinary people will have a chance to be truly free online.

Stay tuned!

Finally, the "Free Traffic With My Space Interview" undergoes a price rise this Tuesday 13th February.

Message :

{!name},

I've got 2 ***IMPORTANT*** things to tell you today (One of them is fre-e so read immediately :-))

With the 'Main Marketing Event 3' released next Tuesday 5th June ***YOU*** need to be prepared..

I'm going overboard for this one...

I've put together such an incredibly ***POWERFUL*** bonus package for the first 50 customers only who order through me.

Here's the thing...

Because I know my competitors will try and 'steal' from me, I cant even reveal the bonus details now!

SERIOUSLY, you don't know how many 'friends' I have who try and snatch my ideas (But they can never compete with the value I offer my customers).

So 24 hours before it launches, (which is Monday 4th June) I will announce details of my ***MEGA*** bonus package. Keep an eye out for it and be prepared for next Tuesday 5th June:-)

Ok the 'fre-e' tool for you today...

One of the best ways to start making money online is using Pay Per Click, Google Adwords and promoting products as an affiliate.

BUT it's also one of the hardest ways for 99% of people...

WHY?

Simply because there are handfuls of people using ***SECRET TECHNOLOGY*** to spy on successful adwords campaigns, better them and steal from under your nose...

How do I know...?

Because it happened to me!

YES! , I was making \$1,000's NET PROFIT every month as an affiliate selling ipods, games software, car insurance.

Then it all went pear shaped....

But I'm a fighter so I did some 'detective' work.

I started investigating and sneaked myself a copy of the same software that was beating me at my own game.

(If you can't beat em' join them right?)

This software is ***SO*** powerful you can't even get it right now!

However it is being released next week.

BUT I have a better deal...

I've 'muscled' the author Chris Carpenter into letting 15 of my customers grab this software on Saturday 2nd June.

Turn's out he found out I just bought a Ferrari 355 and figured I was a 'top guy'.

So I used my influence to secure ***YOU*** the chance to get a 48 hour head start over EVERYONE.

Chris has written a 44 page report and has 3 KILLER video's inside the members area.

It 110% fre.e. You even get to see a LIVE campaign earning \$200 a day on auto pilot.

What you must do right now, *RIGHT THIS INSTANT* is view these all immediately.

<http://www.gcdetective.com/specialreport/index.htm?affid=8604>

I will then email you your 48 hour 'head start' link on Saturday.

This is immensely POWERFUL software and will have up and 'stealing' successful Adwords Campaigns the very same day.

The gloves are off!

<http://www.gcdetective.com/specialreport/index.htm?affid=8604>

Take Care,

Andrew Fox

PS: One last thing. Remember I will email *YOU* this Saturday with your 'back door link' to grab your copy of Google Cash detective

P.P.S On Monday I will give you details about the bonus pack being offered to the first 50 customers who order the Main Marketing Event 3. It's going to be a BUSY week.

Stay tuned! Grab the report and '\$200 a day' videos now

The bad first...

Unfortunately Chris Carpenter called me today and is unable to give a special link for the Google Cash Detective as promised today.

Chris is a good guy and I know he did everything he could.

BUT....

I promised you a special link and *TOLD* Chris “Look I understand man but I promised my customers and now I can’t deliver”

Chris felt really bad and has offered this...

You will be able to get the Google Cash Detective software this Monday 4th June *WITH* a huge \$100 discount!

That is a very generous offer and shows the integrity of Chris. He really is trying to help out.

So I will email you on Monday 4th June at noon EST giving you the special \$100 discount.

I’ll also be announcing details of the *HUGE* bonus package I’m offering to those that buy the ‘Main Marketing Event 3’ on Tuesday 5th June.

In the mean time you can download Chris’s excellent Google Cash Detective report and watch 3 *KILLER* content videos for free here.

Personally I believe the affiliate marketing business using 'state of the art' software is one of the most *LUCRATIVE* and profitable businesses at the present time.

The software goes live at 1PM EST today, Monday 4th June. This is the special page only 15 of subscribers will be able to get their \$100 discount off....

SECONDLY, THE 'MAIN MARKETING EVENT 3' RELEASES TOMORROW AT NOON EST, TUESDAY 5TH JUNE

=====

Last week I told you how I was putting together my *BIGGEST* bonus package of the year.

But because of it's contents I was *FORCED* to only reveal it 24 hours before launch.

My competitors are fiercely studying my every move and trying to imitate the *VALUE* I offer to my customers.

Well they can't compete....

For the simple release, part of the bonus package is access to a *SECRET* Clickbank coaching club I am opening soon that will be very *EXPENSIVE*.

I'm talking stuff that makes millions online and joining a very elite group.

The first 50 customers who order the Main Marketing Event will get a FREE lifetime pass to my invite only club.

That's only part of the bonus package..

I've reveal the bonus link is a second but before I share it, let me ask you something?

Who's side do *YOU* want to be one. The 101+ marketers out there promoting '\$7 reports' and ten new products a week...

OR the guy who's built a multi million dollar enterprise, owns a Ferrari 355, BMW (Paid for STRAIGHT OUT), beach front home and has yet to hit 27 years old.

Not arrogance, just fact and I've worked damn hard to get here.

I don't mess around... I don't promote crap and I always *OVER DELIVER* to my customers. Stay with the herds or join the elite...

Here's the preview bonus link for 50 LUCKY people tomorrow.

Subject : {!name}, the Clickbank panic...

Message :

{!name},

I've decided to let the 'cat out of the bag' about my future plans.

The only thing is you ***MUST*** read this within 24 hours or you'll miss out on my next big product...

Over the past few year's I've been dissecting the 'machine' called Clickbank and totally ***DOMINATED*** in any category I've entered.

- I've had ***TWO*** products reaching #1 in the toughest business category 'Business-to-Business' generating \$100,000's in sales within 48 hours of release.

- I've been the #1 affiliate for the 'Day Job Killer' product sold via Clickbank producing over \$40,000 in NET commissions

BUT HERE'S MY DEEP, DARK SECRET...

While I've been raking in fortunes using Clickbank for my 'product launches' I've been generating 'EVENMORE INCOME' 'behind the scenes.

And yes this 'secret' is the key to how I've afforded a Ferrari 355, a custom built beach

front home and am now gearing towards a private jet....

IT'S THE SYSTEM THAT HAS BEEN PERFECTED AND TUNED OVER 8 YEARS OF BLOOD SWEAT AND TEARS...

Later this year I'll be launching a very dark, covert coaching club and will help people *SOAR* to dizzying heights.

But be warned... its not going to be some *PALTRY* \$37 a month club.

Expect it to be expensive. After all why would I choose to reveal my 7 figure business method for peanuts?

The stuff I share is so *CUTTING EDGE*. In fact I turn down fully paid first class trips to speak at events because it simply isn't worth it.

TODAY YOU CAN CLAIM A FREE LIFETIME MEMBERSHIP TO THIS CLUB IF YOU ARE ONE OF THE LUCKY 17..

Today the 'Main Marketing Event 3' was launched.

For the first 50 customers I offered an *AWESOME* bonus package. Now only 17 places remain.

Part of that bonus package is life time membership to my secret 'club' later this year.

Now here's the crazy part.. The price you pay for 'Main Marketing Event' is going to be A LOT cheaper than my coaching club.

So if you have *ANY* intention of joining the club later this year you can actually save a lot of money now.

Review my bonus package here

<http://guruslayer.com/mme3bonus.htm>

Now to show you how much *FAITH* I have in this package.

The actual membership software is what most likely will power my own "secret club".

That's how impressed I am with it...

Do you think I'd use something that wasn't 110% tried and tested?

The best part is this membership software will cost \$4000. You get it as part of the 'Main Marketing Event 3' package.

You get products with resell rights (including a 90 minute interview with me on Clickbank)

You get to post your products in the members area (to thousands of fresh members)

Overall its the best value package this year.

<http://guruslayer.com/mme3bonus.htm>

I've only 17 spots left and after people read about the *MASSIVE* value of getting my coaching program for fre.e I expect these to disappear in no time.

PART 2# - Mass Control Launch - Launches Feb 1st, Noon EST

Frank Kern’s MEGA Bonus For Mass Control

{!name},

Mass Control launches Noon EST, Friday 1st February.

Earlier I sent you “Part 1” detailing the massive bonus package I’m personally giving away.

This is Part 2 showing what Frank Kern is also giving away!

He is teaching an EXCLUSIVE 2-DAY workshop that’s *just* for the people who get Mass Control.

And he’s doing it as a *GIFT* to his new members.

The last time he taught a workshop, it was his famous Serializer class ...and it cost \$10,000.00 a head.

(Plus it sold out in 54 minutes to 60 people without a fancy launch.)

THIS ONE COSTS NOTHING

The only “catch” is you have to be a Mass Control customer to attend.

He’s not letting anyone else go.

JUST the people who get Mass Control.

This is probably the single most valuable bonus I’ve ever seen offered.

After all, his last workshop was \$10,000.00.

Plus, it’s JUST HIM TEACHING.

No Pitching.

No “All Star Lineup”.

No Fluff.

If you’re at ALL interested in Mass Control, you need to be ready to come on board on Friday, February 1st at 9:00 PM *PACIFIC* time.

Frank says he’s only taking somewhere in the neighborhood of 500 people ...and there are over 43,000 people in line for Mass Control as of today.

You can see why he’s limiting it here:

<http://www.masscontrolsite.com/go.php?a=exclusive&u=http://masscontrolsite.com/blog/?p=22>

I am *PUMPED* about this launch. :-)

Promotion #8: Google
Nemesis - recurring

Date: 8th July 2008

Affiliate Sales Generated:
\$18,000

Subject : _Clickbank Commissions?

Message:

Hey {!name},

I have a very ***BIG*** announcement concerning the potential e.arnings of your Clickbank account.

My friend Chris of DayJobKiller has decided to give away the Google Adwords campaign (keywords, URL, everything) that pumped an extra \$1,440 into his ClickBank account yesterday.

(He's been making an average of \$1500 - \$3,000 a day from just one campaign by utilizing his new software called..

***** GOOGLE NEMESIS *****

As Chris and I work very closely together, ***Behind the Scenes*** I've been an exclusive beta tester for this software.

You can't buy Google Nemesis at the moment for any price..

Not until next Tuesday 8th July anyway....

{!name}, Google Nemesis is coming harder than a fully loaded outta' control freight train and no one can stop it...

BUT FOR NOW LET'S TALK PROOF.

And I mean stone cold *RAW* proof. I'm not just talking about boring, regular screen shots..

This Sunday 6th July, Chris is making a video giving away a \$1,400/day Google Adwords campaign that you can steal.

For his first launch "Affiliate Project X", he gave away a site that was making \$200 a day.

For Day Job Killer, he gave away a niche he was making six figures from.

Chris and I made a secret 'alliance' back then to *DOMINATE* Clickbank and developed a formula that almost GUARANTEED #1 status on every Clickbank product released.

Between us...

Dominating Clickbank...

Affiliate Project X

The Guru Slayer

Day Job Killer

Affiliate X Factor

ALL SHOT TO #1 IN CLICKBANK

But then Chris went mad..

He invented a new breed of software to automate Clickbank success in *ANY* market....

On Sunday 6th July he's going to give away the \$1400 a day Adwords Campaign. Yes the keywords, showing you the URL (so you can check out the site, the Adwords ad, everything).

I even said to him "Chris, DUDE, why don't you give away one of your smaller campaigns?"

His response...

"I want to *ROCK THE WORLD* and show them nothing can compete with Google Nemesis"

Cutting edge software that automates Clickbank success...

But is Chris really giving away too much this time?

{!name}, if you want to see the secret \$1400 a day Adwords video on Sunday 6th July reply to this email saying..

“Yes Andrew, give me the \$1400 a day Adwords niche!” .

Feel free to tell me why Google Nemesis should be in your hands...

Until then remember you heard this breaking news here first....

Take Care,

Andrew Fox

P.S - As you can imagine I'll be including my special bonus package for this one so stay tuned!

P.P.S Affiliate Commissions for the Affiliate X Factor leads have been recently sent by cheque. Thanks for your patience!

Hi {!name},

It's the moment we've all been waiting for - I promised you the \$1400/day video Adwords Niche.

I received over 900+ responses to the last email.

INCREDIBLE!

The market is raw, hungry, excited and needs Google Nemesis which is unleashed Tuesday 8th July, 3PM Eastern / 12pm Pacific / 8PM UK time

=====

“THE \$2.35 MILLION CLICKBANK ACCOUNT & THE \$1,400 ADWORDS CAMPAIGN FOR YOU TO STEAL...”

==> <http://dominatingcb.com/nemesis>

=====

Soon {!name}, the beast will be uncaged and *YOU* can own the same software that has helped me and Chris *DOMINATE* Clickbank to the tune of millions per year.

Now before I tell you about my *SUPER* exclusive bonus at the bottom of this email, let's answer some of the 900+ questions about the beast...

GOOGLE NEMESIS: FAQ & RUMOR CONTROL...

Q: WHAT IS GOOGLE NEMESIS?

A: Google Nemesis is the answer to the question, "why can't I make money with ClickBank in 2008".

It took Chris over \$60,000 and 8 months to do it, but today he has succeeded in creating the ultimate wealth-building system.

This 'all-in-one' weapon of affiliate doom allows you to "predict" conversion rates using our 3 "hidden" indicators. It allows you to systematically locate the top PPC campaigns, and then create your own "superior clone" in minutes.

(The power of this is unreal!)

Steal the \$1500/day templates and edit them with the click of a mouse, then launch using - you guessed it - more proven templates.

Q: WHY'S IT CALLED GOOGLE NEMESIS?

A: Nemesis is defined as "an opponent that cannot be beaten or overcome", or "one that inflicts divine retribution and vengeance". And frankly, there has never been a more apt name for any money-making tool or system.

As the below video shows, the Nemesis system has already *dominated* the toughest niche on ClickBank to the tune of \$1500/day.

It's already generated job-killing income for a select few of Chris's test subjects. And, since you will literally be copying a series of proven templates, you're going to profit - NOT by being smart - but by simply following clear and easy instructions.

SPECIAL BONUS TIME

As you already know Chris and I work very closely together and are real life close friends.

(Chris and his partner in crime have flown over to my house on a few occasions to work on *very* secret deals)

But this all works to your advantage.

Because of this strong relationship with Chris he is always willing to go the extra mile for my subscribers and OVER DELIVER.

We were both guys at one stage working for minimum wage in dead end jobs and believe me... we *NEVER* forget our humble beginnings.

“Never forget the little guy” because it’s our *DUTY* to pass on our knowledge to help you succeed.

Ok so...

Early next week I’ve scheduled a private 60 minute call with Chris where we will discuss how YOU can go from ZERO (like we did) and become a Clickbank millionaire.

Both Chris and I will reveal some really EYE SHATTERING info. Every moment of this call will be recorded and transcribed into PDF.

It could easily sell for \$197+ but if you grab Google Nemesis from my referral tomorrow I’ll send you a copy for no charge.

Make no mistake this is a HUGE bonus.

Chris never does interviews and I very rarely do them.

And when people are making \$2.35 million from Clickbank, stand up and pay attention.

With that said check out *PROOF* and steal the \$1,400 per day Adwords Niche right now from this video...

Message:

Hello {!name},

Just as Chris and I predicted Google Nemesis, has broken Clickbank records and it's quite obvious why...

- A simple push-button system that cost Chris over \$60,000 to develop

- Already *proven* to generate up to \$1,500 per day (swipe Chris's own cash-pulling website templates)

- Shows how you can make quick and easy "Google raids" - and profit by following the 'magic' signal...

<http://dominatingcb.com/getnemesi>

Just as incredible as the income Chris has made with this, system is the story of how he created it.

This dark and compelling tale involves a secret group of affiliates called the “Shadow elite”, the inside scoop on how one of Chris’s customers made \$3k a day from *one* keyword... and a whole lot more.

I suggest you sit down and read this very important letter from top to bottom.

<http://dominatingcb.com/getnemesis>

But, remember to act fast: Chris has threatened to increase the price - and he always sticks to his word (Chris increased the price for *all* of his previous record-breaking guides in the first few days, without warning and just as he said he would).

Talk to you soon!

Message:

From Andrew Fox: Confidential Message

Nobody was really *meant* to find out what happened in Las Vegas..

So the dark secret I'm about to tell you I want kept between our 'inner circle' ok?

A few years ago a *very* secret meeting of the leading Internet power houses was held inside the MGM Grand hotel.

To passers by they looked like a normal bunch of people.

But little did they know who these people were.

20 of us cooped in a small hotel suite controlling the flow of the Internet to what it is today..

I was one those of those characters alongside..

Mike Filsaime, Rich Schefren, Brad Fallon and a select few others..

Power..

Money...

Extreme Success...

And the world at our fingertips..

And until today I have not spoken about this moment.

ANOTHER MAN SAT IN THE SHADOWS...

He was quiet man, mysterious but I sensed something about him...

He reminded me of when I met John Reese before nobody knew him.

Because he lived in the UK, we got talking and struck up a strong friendship that has only grown over the past 2 years.

Back then he had his first real breakthrough on the Internet and brought in \$250,000 inside 7 days.

He thought that was good...

But I could *FEEL* the drive, desire and intelligence would help this character grow to much bigger things.

Personally, I've been raking in fortunes online since 1999 so I know when someone is about to get very *BIG*..

We kept in touch, I watched, waited and helped where ever I could...

(Truth be told I was learning as much from him as he did from me - maybe my motives were

selfish but I had to keep track of this guy)

BUT TWO MONTHS AGO HE FINALLY HIT THE JACKPOT

He called me up and said “Foxy! I’ve just created a new way of selling on the Internet that is unlike anything you have ever seen”

He had just generated \$220,000 from a single video..

\$400,000 by the second day.

By two weeks he had generated over \$800,000 in total gross sales..

And I sat STUNNED!

I mean my mouth was literally hanging open..

My spine was tingling and I knew we were entering a new dawn of marketing on the Internet.

In my last 9 years of marketing online I’d never seen a system that could make money so fast, in large volumes with such ease.

It was like a miracle..

But what I liked about it was how anyone, even a newbie could get up and running so fast.

I try to create my own products this way, to get people up and running as fast as possible.

WHO IS THIS MAN FROM THE SHADOWS?

He can only be identified as Michael Cheney and I am so proud of what he has achieved in such a short space of time..

But more importantly I’m delighted that he has produced a new product that can transform the “average newbie” into a success so quickly.

What you are about to be offered is the new gold rush in Internet Marketing.

I G.UARANTEE IT!

I’ve been here for nine years now and can identify a new hot money making trend when I see it.

It’s the way the Internet goes and you have to keep up.

So what I'm asking today is for you to put your trust in me.

A WORD OF WARNING..

Michael is definitely only selling 500 of these packages and I do have current insider knowledge that's he's selling out very fast.

That's no B.S

No false message

It's a REAL deadline..

Firstly check out my video review and see the bonus package I'm offering (simply too add MASSIVE value)

When you watch the video below you will see the quality difference to 99% of videos out there... I like to raise the bar.

Secondly go the page, read down it and join right away..

Click here to go direct to the website AFTER you have watched my video

I sincerely hope you take me and Michael up on it.

And I will be taking advantage of it.

I'm stressed!

I've just been making a new killer video, just for you on the topic of 'Pay Per Click' Advertising and it's taking forever...

(However it will be worth it in the end, just wait and see :-)

Hope to have it over to you on Sunday/Monday.

Is that cool?

While I get this video ready, I can give you a bit of background on it today.

I've just watched a 30 minute interview with an expert PPC affiliate (who I had never heard of before) and started with \$5 just three years ago.

Actually three years ago, he was making \$1,600 a month, in a job he hated and was \$20,000 in DEBT.

Fast forward to today (just 3 years later)...

--> He makes \$2.4 MILLION a year... That's \$7,000 a DAY.

--> He went from spending \$5 a day on Pay per Click to \$1000's profits daily profit.

--> He works about 4 hours a day (if that).

The best part is that it's a *FREE* 30 minute video that really gives away a lot.

Watch the \$2.4 PPC Affiliate interview now

Message:

Hey {!name},

I forgot to tell you about an interesting story today.

Kirt Christensen (A VERY well known and famous) marketer was speaking at a seminar in Dublin, Ireland.

He decided to come up and visit me and I invited him to stay on my yacht yesterday evening...

He was *TOTALLY* amazed when he came on board..

His words were "Dude, I knew you were doing well online *BUT* this well?!"

So we sat down on the yacht, had some lunch and hooked up to the Internet.

We checked sales, email's, orders the usual Internet Business stuff :-)

Then it gets interesting...

Kirt starts showing me an Instant message conversation he is having with a guy called 'Tim Houston'.

Now that name you may not know..

However *YOU WILL* know this..

The 'Google Shadow' you've been hearing about today (released 4 hours ago).

The guy who is making over \$100,000+ a month with Google Adwords and no website..

Is TIM HOUSTON!

I said to Kirt "Dude, That's the guy Chris has convinced to expose his \$100k a month secrets - he's the shadow"

Do you know him well?"

Then Kirt gave me an almost 'evil smile' that was a bit freaky actually.

Kirt knows Tim very well and in fact told me that the \$100k a month with Google is just the tip of the iceberg..

And the *SHADOW* software is actually better than advertised right here

We left the famous port of Monaco this morning, where the famous Formula 1 Grand Prix was held.

(I guess it wasn't the best idea to eat a McDonalds just before we set sail...)

The sea was pretty rough and it was a battle to keep the McDonalds inside ;-)

I just about won.

IMPORTANT: Steve Clayton & Tim Godfrey are launching Commission Blueprint 2 in 48 hours time.

This e-mail will tell you about the MONSTER \$1,400 real value bonus package I've created for you - with Chris and Ken, my SEO genius and Tim & Steve.

First, review this *in-depth* video tour of Commission Blueprint 2.

==> <http://www.commission-blueprint-2-exposed.com>

Hey {!name}

Commission Blueprint 2 is *just* 48 hours away.

And it's got me very hot and bothered!

THERE'S A BIT OF A SECRETIVE PAST...

You see, myself, Chris and Commission Blueprint have a history.

This time it's personal...

About a year ago Chris made a stark discovery

He actually found out about Steve Clayton and his \$100,000/month Google ad back in early 2008, months before Commission Blueprint V1 dropped.

In fact, it was Steve's methods that inspired Chris to create a killer PPC campaign - and in April of 2008, Chris launched a single ClickBank promotion that made me \$42,157 in 16 days.

This development lead to the record-breaking "Google Nemesis" software (which I was the #1 affiliate for)

So its safe to say that you need to hear what we both have to say about Commission Blueprint 2.

Check out the shocking video now...

==> <http://www.commission-blueprint-2-exposed.com>

The previous CB1 has sold tens of thousands of copies - so the buzz for this one will be massive.

This truly is an incredible opportunity to dominate ClickBank and the other affiliate networks.

In fact, I'm so excited about CB2 that I've teamed up with Chris, my own personal SEO genius, and Tim and Steve themselves... and created the most incredible bonus package out there.

So be sure to check out this live, in-depth review of CB2 - and we will talk again tomorrow.

IMPORTANT: Commission Blueprint 2 has just gone live.

Remember, my exclusive bonus package in partnership with Andrew Fox, Steve and Tim is very, very limited.

I strongly suggest you watch this video and lock in a spot... while the bonus is still here.

{!name},

The CB2 website has been visited more than 100,000 times in the last week.

Our own bonus page has logged over 5,000 visits...

So it's not an understatement to say that CB2 is going to be *HUGE*.

And it's easy to see why...

With over 40 videos, 20 manuals and automated tools, CB2 is simply the blueprint for modern day marketing.

Almost a year in development, it's the very system used to generate a \$2 Million ClickBank launch, along with a \$100,000/month PPC campaign:

Software: instantly discover the hottest keywords... there's any 'in-house' keyword tool which will allow you to dominate paid and organic search.

Top 5 FREE Google Listings for ANY keyword in Yahoo, MSN or Google...

Dominate Google Adwords without getting "slapped"... In-depth 'know how' on quality score and workarounds for quality score that you can 'slap Google' back with.

In short, CB2 makes affiliate marketing profits completely step-by-step, like following the recipe in a cookbook.

Sneak a peek inside the CB2 download page here

=====
BUT THERE'S ONE *MAJOR* FLAW WITH COMMISSION BLUEPRINT 2
=====

Having spent 8 days using the package going through the modules and using the tools ... what I've realized is that there is just too much information in there.

There's also a couple of "missing pieces"...

In Tim and Steve's hurry to get this locked down, there's a few pieces of the puzzle that I feel aren't there...

So I had to sit down with Andrew Fox and create a "meeting of the giants" bonus package that makes CB2 even more incredible.

This package includes automated Google software, exclusives from Steve & Tim themselves, a complete affiliate DVD series that cost \$50,000 to make, and much more...

The total value is now over \$2,000 - but it won't cost you anything.

The catch....

Quite Simply it's *VERY LIMITED*

In fact, as you read this e-mail, several spots will probably have gone.

If you want to profit as an affiliate, you need CB2.

And you if you want an insurmountable edge over even the other CB2 affiliates, you need my bonus package.

Hey {!name},

Clickbank is about to under a *MAJOR* change very soon that will change history.

You see a few months ago two “underground” guys appeared on Clickbank, blasted straight to #1 position and sold over \$909,435 of sales with a product called ‘Mass Article Control’.

I was SHELL shocked.

After all Chris and I are both known as the Clickbank giants and this news got our attention.

Who was invading OUR territory?

HOW DID THEY DOMINATE CLICKBANK SO FAST?

We needed answers...

Their #1 secret was software!

While most people have been focusing on selling low end info products and ebooks these guys have been cleaning house selling software.

Here's where it get's better...

I contacted Adeell and Bobby, and congratulated them on their success (but secretly wanted to know their inner most money making secrets - I guess it was a bit evil)

Turns out they were pretty *AWESOME* dudes..

So awesome that they were decided to create some software people could own themselves and sell it on Clickbank and make a fortune.

It's called "My Software Business" and I love it!

These guys have done the ground work so you don't have to do much.

It's an awesome concept and you can be up and running so quickly.

Go here now and watch my video review and details of the special \$4855 bonus I've prepared for the first 30 people

Hey {!name},

It's incredible - over 3500 views of my bonus video yesterday for "My Software Business".

This is an incredible package that you *MUST* get your hands on.

Clickbank is changing...

Ebooks are becoming old news..

Software is where the *REAL* money is being made.

To the tune of \$909,485 of their FIRST Clickbank launch.

It made me, an experienced Clickbank marketer stand up and pay attention.

With 'My Software Business' you can be up and running within hours.

<http://www.dominatingcb2.com/mysoftwarebonus>

HERE'S THE COOL THING

Creating valuable software can be a real pain.

- Programmers don't do it right
- They steal from you
- They give you no after sales support.

Addell and Booby have done the hard work so you don't have to.

It's ready made in a box for you to 'plug and play' - hook up to Clickbank and away you go.

You even get a video sales letter to sell it - awesome!

BUT OUR \$4885 BONUS IS THE ICING ON THE CAKE

Part of our \$4855 bonus is having my new designer create a custom ecover for you which will really make you stand out from the crowd.

Go here now, see my video review and the \$4885 bonus package.

Hey {!name},

Chris from DayJobKiller here and I want to thank Andrew for letting me tell you about something very special..

Three years ago I broke records.

I was the #1 affiliate for Keyword Elite 1, was an early beta tester for KE2 - and made seven figures a year from keywords and search.

Hey {!name},

I'm sure you're excited about Keyword Elite 2.

And equally excited about our exclusive bonus package.

With over 7,000 views of my bonus video, and over 56,000 downloads of Brad's free report...

...all signs are, both will fly off the shelves.

And it's not hard to see why.

Over 3 years in the making, KE2 creates a massive gulf between the Google profiteers who have the tool - and everyone else.

And it couldn't have come at a better time.

You see, the Google game is getting harder by the day.

Google slaps, rising bid prices, increased competition... it's getting TOUGH to squeeze out a profit as a PPC affiliate.

To thrive in this testing environment, you need a *weapon*... an edge that separates you from the competition.

And that's exactly where Keyword Elite 2 comes in.

* KE2 makes the Google game *easier* - KE2 is RAPID at showing you exactly where the money keywords are - so you can make quick and easy Google raids.

As I've always said, if you choose the right keywords with search, you are 90% there.

All you need to do then is pick the right product (using KE2's proprietary database of course), and you have a winner on your hands.

Luckily, KE2 has 8 complete software tools - each of which shows you exactly where the cash is lurking on PPC, and how to siphon off your share of the spoils.

* KE2 increases your income potential - dramatically.

For the first time, you can spy on your competition in REVERSE and see what keywords AND advertiser has been running on... up to 6 months ago!

This vastly increases the chances of you hitting on a profitable campaign - meaning all your PPC campaigns take a shot of virtual steroids before your ad even goes live.

* To put it simply, from someone who makes over \$2 million per year with ClickBank and Google... KE2 solves the problems you have as a Google affiliate.

FACT.

All the roadblocks are *obliterated* - Google slaps, wasted Adwords costs, picking poor converting keywords, too much PPC competition... and more.

In short, KE 2 is designed to get you past the Google death-traps that kill most wealth-seekers before they have their first \$50 day.

It allows you to leverage other people's time and money, and leap-frog the learning curve...

Check out this video walk through of KE2 and its new and unique features

==> <http://www.freekeywordelite2review.com>

=====
BUT THERE'S A CATCH HERE...
=====

... but it all comes with a catch: there's so much inside KE2 that its downright
overwhelming...

In fact, it took me a week of hard testing, hacking and tweaking to really understand the
power of the tool.

And that's where my partner Chris comes in!

He was the #1 affiliate for Keyword Elite 1, ClickBank record breaker, beta-tester for KE2
and battle-tested
PPC affiliate.

We both realised that we had to make his knowledge available to my valued members - if
they were going to have the best chance to profit.

Therefore Chris and I sat down and planned out an incredible bonus package - but it is never
to be repeated.

This package includes exclusives from myself and Chris, Brad Callen himself - and a new
Google insider.

The total value of this package is well over \$1,700 - but it won't cost you a single cent.

The bonus video explains what's included in the package, and gives you a step-by-step
walkthrough of Keyword Elite 2.

But remember - this package is so incredible that it *also* comes with a catch...

It is very, very *limited*.

In fact, as you read this e-mail, several spots will have already gone.

If you intend to profit with Google, Yahoo or ClickBank - you need Keyword Elite 2.

And if you want an edge over even other KE2 users, you have to download my bonus
package ASAP.

I actually login and give you a REAL LIFE product preview of how it works.

Here's WHY this tool gives *ANYONE* the chance to make money on the Internet.

* It's software you use on the web, so you don't even have to install anything on your own computer.

* You can create absolutely gorgeous websites in 15-30 minutes, as easily as you write an email.

* You can create more than one site, so you can target different niches with ease.

* You can create single and multi page affiliate review sites, CPA offer sites, Clickbank product websites, and much much more.

* You need ZERO technical skill to use the tool--it'll even put everything on your web server

for you, if you give it the username and password for your hosting account

Auto Profit Launcher isn't live yet, so I can't spill the beans about all the details, or tell you the price, but I can say this...

You won't pay thousands for it, and the websites it lets you create really *DO* look like you paid that much.

Three reasons...

1) Unlike many marketers who just email their lists to make a lousy buck I *PROVE* that I review products and that they are up to standard

2) You get to see inside Auto Profit Launcher before you buy - priceless. And you are going to love it :-)

3) I've added SUPER value to the product by including my \$2418 genuine value bonus package to the first 27 customers only.

I've just checked my stats and 7 people have now bought to just 23 bonuses remain,

Hey {!name},

What's the fastest and easiest way to profit from the Internet?

Well in my opinion generating "Affiliate Product Reviews" websites is one of the next big things.

The problem is...

- You need technical experience to set up these pages
- You need to go find the content for the websites
- You need to repeat this for various niches

And the whole damn process can take so long that you can hardly make a profit.

THE SOLUTION?

A new piece of software called "Auto Profit Launcher". You can see my video review here of it now.

<http://www.autoprofitlaunchreviewdeal.com>

(Plus there are only 3 of my bonus packages remaining out of 30 - it's been very popular!)

"Auto Profit launcher" is a web based software that lets you edit websites with ZERO technical experience.

These are pre designed, search engine optimized websites that look AWESOME!

It can literally take 15 - 30 minutes to get these websites up and running.

Seriously .. no hype or BS - they are really impressive plus I think going into 2010 it's a bit of software you need to have

THE BAD NEWS...

I know for a fact that Auto Profit Launcher is going off the market and you won't be able to buy it anymore.

Plus I've only three \$2418 bonuses packages remaining out of the original 30.

So this will be a final call {!name}...

Remember you can watch my video review where I go INSIDE the actual software and show you how it works. Then you can decide..
